RE: NOTICE of MEETING for Seamans Creek Water Users

Dear Seamans Creek Water User or Concerned Citizen:

The Department in cooperation with the City of Bellevue has scheduled a meeting to discuss issues involving the use and delivery of the waters of Seamans Creek.

The meeting will be held: DATE: FEBRUARY 4, 2003
 TIME: 10:00 AM
 PLACE: BELLEVUE CITY HALL

HISTORY:

Last year the Department received complaints regarding the delivery of water on Seamans Creek. On May 14th, 2002, an impromptu meeting was held in Bellevue with some water users in an effort to identify issues. After the meeting a letter dated May 30th, 2002, was sent to the potential interested water users known to the Department describing the potential issues involved with delivery of Seamans Creek water. In that letter the Department agreed to facilitate a future meeting if needed.

Although some efforts to resolve delivery problems to water users have been accomplished, renewed complaints have prompted the Department to call the meeting.

You are urged to attend the meeting if you have an interest in these matters.

Sincerely,

Allen Merritt, PE
Southern Region Manager
